Ultraspank, Fired

Feel the waking up Feel the breaking loose Start the engine turning Feel the inside burning Fired Push it to the red line Push it to the edge and it starts to unwind Latched on sucker Holds you steady as it starts to shudder Tell me when it f**king hurts Crash it through the base line Leave it in the dust as you begin the climb All out crusher Shedding the skin as it fuels the within Tell me when it f**king hurts Hurts It f**king hurts Half feeling alive Half feeling alone Half feeling the pressure Half feeling the anger Fired Pushed it to the red line Pushed it to the edge to begin the unwind Saw toothed sucker Ripped the within so the out could begin Told you it would f**king hurt Reach back
