

# Umbrella Big, Everytime I Open My Big Umbrella

Yo, ish' me again  
Ya big boy, with my umbrella  
Yeah, that's me

Umbrella : I'm telling you  
It seems like everytime I open up my leopard print umbrella,  
I think of you .. Shelia (Shelia,shelia,shelia)

And everytime I open up the umbrella with the kisses,  
I think of you,  
Sheneanea

Them two girls, yeah,  
They was the hottest chicks,  
In all of Miami..  
at least the Miami in Florida

(Chorus)  
Yeah, yeah, yeah, yeah  
The hot Miami weather  
was well spent  
with you girls,  
the hottest girls in all of Miami  
( at least the one in Florida)

Lisa,  
everytime I open up my army print umbrella,  
I'll think of you  
and our time  
in Sandiego  
Your the hottest girl in Sandiego  
at least the one in California  
( California, California, California)

Nubia,  
everytime I open up my blue umbrella with the little rainbow, square, and other assorted sizes glitter  
I'll think of you  
and all the time we spent  
Putting together the coffee table in my fifth floor living room  
So, thanks  
You are, the hottest girl in all of Sandiego  
at least the one in California

(Chorus)  
Yeah, yeah, yeah, yeah  
The cool Sandiego weather  
was well spent  
with you girls,  
the hottest girls in all of Sandiego  
( at least the one in California)

(Bridge)  
Thank you girls,  
too bad your all dead  
My gang had to kill you  
I was getting too attached  
so, BOOM! BANG! CRASH! POW!  
Sorry girls,  
but everytime I open my umbrella in the pouring rain  
I will, think of you
