Unbekannt, Hand In Hand

See the fire in the sky We feel the beating of our hearts together This is our time to rise above We know the chance is here to live forever For all time *Hand in hand we stand All across the land We can make this world a better place in which to live Hand in hand we can Start to understand Breaking down the walls That come between us for all time Arirang Everytime we give it all We feel the flame eternally inside us Lift our hands up to the sky The morning calm helps us to live in harmony For all time (Repeat*) Breaking for the walls between us... Hand in hand...
