

# Unbekannt, The Girl In The Mountain

In the village way up there  
in the mountains by the sunrise  
lived a young boy and a young girl  
and he loved her.

And when the day came to leave the willage  
he want far away and she cried.  
He never told her that theloved her  
and he'd return.

And she was lonely way out in the mountains  
beyond the sunrise she had loved him  
when he left her he never told her  
that he'd return.

One day the young boy came back to see her  
to tell he young girl how much he loved her.  
He search'd the mountains beyond the sunrise  
until he heard her voice:

Ave Maria  
Ave Maria.  
Bells from the abbey were ringing

this is the pray'r she was singing
