

# UnchainD, Top Of The World

music by Vincent Bocchini  
lyrics by Vincent Bocchini

I want to hear the sound  
of everyone all around  
Full of joy and happiness  
ready to give and confess

Chorus  
We're standing on the top of the world

I'm here I want to tell  
you all about the hell  
That sits beneath us all  
so lets not take the fall

Chorus

We will not let the world pull us away  
It does not matter what it will pay

This world it takes place  
it stares us in the face  
It wants to pull us down  
we won't let it push us around

Chorus
