

Uncle Outrage, Maybe You Won't Get Raped

Kickboxing nor Tae Kwon Do will help you not get raped

Rapists are not afraid of bruises and or scrapes

You, maybe you, maybe you, won't get raped

You, maybe you, maybe you, won't get raped

Take a look outside your window, you will not get raped

Thousands of Gods and Demons have extinguished the whole lake

you, maybe you, can help us fill that lake

you, maybe you, maybe you, won't get raped
