

# Uncle Outrage, Octopus Angel

If I see no reason  
Then I see no prize  
Without you octopus,  
And I don't see a reason why.  
Help me find a place  
Where I can go  
So you can take me down  
With you

Angel, hold me  
With all your tentacles  
Slimy,  
You watch me  
Even if there's someone else.  
Oh yeah, Oh well.

I'm afraid of heaven  
And all the creatures in the sea.  
Cure me of this sickness  
And scrape the pearls all over me.

Angel, hold me  
With all your tentacles  
Slimy,  
You watch me  
Even if there's someone else.  
Oh yeah, Oh well.
