

Uncle Outrage, Punx Attacxk

I'm so punk and I'm so cool, ok?
Can you see me?
Did you know that "oi" means "hey"?
Punk was 20 years ago
So stop saying it today.

Why don't you just say "hey"?
You don't live in England.
You weren't born a punk.
I'm sick of all your punk shit now.

Look at me,
I'm so punk.
Look at me,
'Cause I'm so f**king punk.
