

Uncle Outrage, Sad Ashley

Here I am
Nothing is on TV.
I'm lonely again,
What the hell is wrong with me?
And I want something, but I see nothing
And I want something from you.
I don't wanna see myself
Next to the world with someone else.
I don't want to set you free.
I don't know.

Got a message from the real world
And it's waiting at the door.
Got a message and it's, "you need something new."
Got a message for myself.
