

Uncle Tupelo, If That's Alright (Demo)

every day is dreamlike
it seems like, in every way
and that's why
when I look back on my life
it's like a slideshow out of focus

and as the carousel goes round
the slides are upside down
there's nothing to make out or even notice

when will it all become concrete
wouldn't that be sweet
to know where you stand
but until then, it's a slideshow
that you're yawning through
or even sleeping

and as the carousel goes round
the slides are still upside down
there's nothing to make out or even notice

and if that's alright, then it's alright
if that's alright, then it's alright
and if that's alright
then I wanna hear you say it
and if that's alright
then I gotta hear you say it now
