

# Uncle Tupelo, If That's Alright (Demo)

every day is dreamlike  
it seems like, in every way  
and that's why  
when I look back on my life  
it's like a slideshow out of focus

and as the carousel goes round  
the slides are upside down  
there's nothing to make out or even notice

when will it all become concrete  
wouldn't that be sweet  
to know where you stand  
but until then, it's a slideshow  
that you're yawning through  
or even sleeping

and as the carousel goes round  
the slides are still upside down  
there's nothing to make out or even notice

and if that's alright, then it's alright  
if that's alright, then it's alright  
and if that's alright  
then I wanna hear you say it  
and if that's alright  
then I gotta hear you say it now
