

Uncle Tupelo, No Sense In Lovin'

I don't know what you've been through
You might think that I don't care
But I do
And I've tried to understand
I've tried to understand your abuse
But you've got no excuse
And there's no use in lovin'
Anyone who hates themselves
You keep coming back
So I hold you for a little while
But I always go when I can't take your sad smile
'Cause I can't stand it when you get so intense
And it's all a part of our bad inheritance
And there's no sense in lovin'
Anyone
Won't you come back for a while
You could see exactly what you've always meant to me
But you don't wanna know
You don't wanna know
And you don't know what I've been through
And if I think that you don't care
You probably do
And there's no sense in lovin'
Anyone who hates themselves
