

# Undead, I Want You Dead

(Steele)

I want you dead  
I want you dead  
I want you dead  
I want you dead  
Yeah, girl it turned that I was a fool  
All those things they said about you were true  
I tried to do the best I could do  
Now I want to do away with you  
I want you dead  
I want you dead  
I want you dead  
I want you dead  
Yeah, girl it turned that I was a fool  
All those things they said about you were true  
I tried to do the best I could do  
Now I want to do away with you  
I want you dead  
I want you dead  
I want you dead  
I want you dead  
When you lay down to sleep  
You pray the lord your soul to keep  
But when you lay down to die  
Remember, all those times you made me cry  
I want you dead  
I want you dead  
I want you dead  
I want you dead  
I want you dead  
I want you dead  
I want you dead  
I want you dead
