

# Undead, I Want You Dead

(Steele)

I want you dead

I want you dead

I want you dead

I want you dead

Yeah, girl it turned that I was a fool

All those things they said about you were true

I tried to do the best I could do

Now I want to do away with you

I want you dead

I want you dead

I want you dead

I want you dead

Yeah, girl it turned that I was a fool

All those things they said about you were true

I tried to do the best I could do

Now I want to do away with you

I want you dead

I want you dead

I want you dead

I want you dead

When you lay down to sleep

You pray the lord your soul to keep

But when you lay down to die

Remember, all those times you made me cry

I want you dead

I want you dead

I want you dead

I want you dead

I want you dead

I want you dead

I want you dead

I want you dead
