

# Under The Influence of Giants, Heaven Is Full

They wanna know what makes me tick  
I&#039;m feeling like a son of a bitch  
They say I&#039;m an emotional wreck  
They think they&#039;re gonna put me in check

ah yeah, ooo, ah yeah

Yesterday I heard heaven was getting full, yeah  
and thats why I have felt so emotional, yeah

Im&#039; walking with a broken leg  
I think she&#039;s gonna beg me to stay  
If you cold only fake my death  
She blew my brains and then she left(she left)

ah yeah, oo, ah yeah, no

She said;  
Yesterday I heard heven was getting full, yeah  
and thats why I have felt so emotional, yeah  
Yesterday I heard heaven was getting full, yeah  
I hope they do not leave me at the door, yeah

You&#039;ve got that weekend coming all of the time  
You&#039;ve got that weekend coming all of the time  
You&#039;ve got that weekend  
You&#039;ve got that weekend  
You&#039;ve got that weekend coming all of the time  
You&#039;ve got that weekend coming all of the time

Chorus(2x)

ooo, yeah
