

Underminded, Croatia

Assigned and marked,
Let's hope the whores,
Will spread their legs and screw,
The line of men who hope to find the cheapest fuck in town!

Sold, bought.
Cummed in every hole he could.
And now the world will rest their heads,
While she regrets the sex she gave,
Up to the businessman with 3 kids and a wife back home in bed.

Tie her down!
Tie her down, and make her cum.
The taste of summer in every winning horse.
All bets are on, now cheer for the underdog.
The taste of her in any form will do.
Now slap that ass and ride that horse 'til she bucks!

And now the world, open eyes.
Not the prize you hoped to find.
And now you learned your lesson, bitch.
Don't fuck what you don't know.
Whore! Whore! Now you're gonna die!

The taste of summer in every winning horse.
All bets are on, now cheer for the underdog.
The taste of her in any form will do.
Now slap that ass and ride that horse 'til she...

So when she sucks.,
When she fucks you.
(She's buried you!)...and you.
Fucked you too!
You! You! Fucked you!
(She's buried you!)
You! Fucked you too!

Assigned and marked,
Let's hope the whores,
Will spread their legs and screw,
The line of men who hope to find the cheapest fuck in town!

Fuck you!
