

Undertones, More Songs About Chocolate And Girls

Our teenage dreams are surely worth a mention

Cos here's more songs about chocolate and girls
Its not so easy but it will be heard
A lot less time but a lot more care
So here's more songs about chocolate and girls

Sit down - relax and cancel all other engagements
Its never too late to enjoy dumb entertainment

Cos here's more songs ...

Boys will be boys and they've done all they can do
So just let's dance and the rest is up to you
