Unfinished Thought, Sonnet

Because You Love Me I Can Look With Quiet Faith

Beyond Life's Lightning Flash And Thunder Roll

And Glimpse The Rainbow Arch Like Some Angelic Wraith While Impatient Years Exact Demanding Toll

Because You Love Me My Soul Can Soar With Eagle Wings Above My Crowding Failures And Disenchanting Deed

Explore Beyond Life's Sunset Where The Heavenly Choir Sings Climb Nobly To The Summit Where Love Alone Can Lead

Because You Love Me You May Still Perchance Forgive

Young Love's Towering Expectations Laid Now To Rest

Those Unfulfilled Dreams
Which Somehow Still Must Live

Cloistered Beneath The Portals Of A Matron Breast

Because You Love Me Milestones Are Like Jewels Fair Priceless Treasures From God's Sacred Vault Of Time

I Thank You For The Beauty And Meaning In The Life We Share

And Praise God For The Blessing Of This Love Sublime
