

Unfinished Thought, Star Fighter

My Mind Wanders
I Wave Goodbye And Let It Go
As She Ponders
The Familiar Ending To The Show

And What Of The Light Gone In Your Eyes
Please Don't Act So Surprised

The Dark Night
Conceals Her As She Cries
Stars Burn Bright
Comfort Found In Fireflies

But She Cannot Go On Alone
For Reasons She Has Never Known

While All The Stars May Twinkle
Some Die
While Her Eyes Slowly Shut
And Keep Her From Seeing The Difference
Between A Pseudo Light
And An Honest Fight

But Who's To Say She Cares To Try Again

Remember Brighter Days We've Lost
To Eternity
Star Felt Fighter
Quickly Fades Into Obscurity

Forgotten Fire
Not The Blaze It Claimed To Be
Falling Farther
Broken Mirrors Blame Misery

And What Ever Happened To You
These Eyes Used To Be So Blue

While All The Stars May Twinkle
Some Die
While Her Eyes Slowly Shut
And Keep Her From Seeing The Difference
Between A Pseudo Light
And An Honest Fight

But Who's To Say She Cares To Try Again
