

# Unfinished Thought, Umbrella

It's Another Great Day To Be Here Kept Alive  
And I'm Too Afraid To Even Go Outside  
For Fear I Might Be Left There Paralyzed

It's Sad When The Rain Falls  
When It Makes No Sound  
When It Falls Out Of Order  
When You're Not Around

It's Worse When The Night Falls  
When I Hide Underground  
When I Live My Disorders  
When I Let Myself Down

Through Forever My Gaze Will Appear Satisfied  
But It's Your Affection That Keeps Me Terrified  
Of Years I Might Spend Drowning In Your Eyes

It's Sad When The Rain Falls  
When It Makes No Sound  
When It Falls Out Of Order  
When You're Not Around

It's Worse When The Night Falls  
When I Hide Underground  
When I Live My Disorders  
When I Let Myself Down
