

Unhinged, Bleed

you don't have to care if you don't want to,
you've got yer own life to live
only do as much as you want to,
give no more than you've gotta give
it don't matter that you don't see the need,
just sit back, relax, and watch the earth bleed
you don't have to take care of your home,
you don't have to hear when your mother calls
you can't do everything on yer own,
so why bother trying at all?
