

Uniatowski, Lie To Me

Lie to me
Lie to me
Lie to me
Lie to me
Lie

Lie to me
Lie to me
Lie to me
Lie to me
Lie

I gotta feeling
There is something inside that you cannot hide
Oh no!
I gotta feeling
Searching for meaning
There is something about how you play with my heart
This time
I gotta feeling

Lie to me
Lie to me
Lie to me
Lie to me
Lie

Lie to me
Lie to me
Lie to me
Lie to me
Lie

Let's make a deal
There is something inside
But you hide in your cheatful smile
I gotta feeling
Love is a mirror
We are getting so close
And we don't really want to know
Where is the limit

(Lie to me
Lie to me
Lie to me
Lie to me
Lie) x8
