

# Union 13, Who Are You?

Who the f\*\*k are you to place judgement over me?

Just because I didn't give into your needs.

Take control, get a hold of your life. Learn to read between the f\*\*king lines.

They call me a screw up, a reject of society.

Little did they know that I had my own army.

It's better to struggle than to take the easy way out .

The only way to get somewhere is to f\*\*king speak out!!!

So who the f\*\*k are you!!!

Take control get a hold of your life, learn to read between the lines.
