

Uniqplan, Wilderness

A highway of sounds and the loneliness
To the world
We are wilderness

The rhythm rise up
With the freedom taste
In a day
Another time when faith will matters more
To come back
The rhythm rise up with the freedom taste
In a day
The wildest sons and daughters of pace

A highway of sounds and the loneliness
To the world
We are wilderness

The rhythm rise up
With the freedom taste
In a day
Another time when faith will matters more
To come back
The rhythm rise up with the freedom taste
In a day
