

# Uniting Nations, You And Me

You and me...

If I gave you my loving  
would you take it  
If I opened your heart  
would you turn the key  
'cause I knew from the start  
baby we could make it  
we could make it together  
you and me

If I gave you my loving  
would you take it  
If I opened your heart  
would you turn the key  
'cause I knew from the start  
baby we could make it  
we could make it together  
you and me

Yeah, you and me  
you and me,  
you and me,  
yeah,

If I gave you my loving,  
If I gave you my loving,  
yeah,  
you and me,  
you and me,  
whoa-ohoa..

If I gave you my loving  
would you take it  
If I opened your heart  
would you turn the key  
'cause I knew from the start  
baby we could make it  
we could make it together  
you and me

If I gave you my loving  
would you take it  
If I opened your heart  
would you turn the key  
'cause I knew from the start  
baby we could make it  
we could make it together  
you and me  
whoa-ohoa..  
whoa-ohoa..  
whoa-ohoa.....  
yeah,  
gave you, gave you, g....ave,

If I gave you my loving  
would you take it  
If I opened your heart  
would you turn the key  
'cause I knew from the start  
baby we could make it  
we could make it together  
you and me

If I gave you my loving  
would you take it  
If I opened your heart

would you turn the key  
'cause I knew from the start  
baby we could make it  
we could make it together  
you and me
