

# Universal Poplab, 60 Is The New 40

Liver chested granddads  
On the sunny side of Spain  
Your open nest a credit card  
Who'll numb the ancient pain (?)

This is the easy life  
Come lazy days  
This is the easy life  
Come lazy days

Deep tan cheeks, some blemished and  
Friendly with a knife  
Creeping, overestimating  
The complexities of life

This is the easy life  
Come lazy days

Sixty is the new forty  
Is the new thirty  
Is the new teens  
We are the evergreens

Sixty is the new forty  
Is the new thirty  
Is the new teens  
We are the evergreens

Viagra loaded cocktails agents (?)  
Stallions for the girls  
We may be old green oysters  
But we'll never find the pearl

This is the easy life  
Come lazy days
