

Unkle, Inside

The only thing that burns in Hell
Is the part of you that won't let go of your life
Your memories, your attachments
They burn them all away
But they're not punishing you, he said
They're freeing your soul, relax

Something's gone
This can't go on
This open road
For far to long
Through all these tears
No light appears
And all that trust
It's turned to dust
So one thing's clear
Am I here?
Am I here?

So break on through
For something true
Cause love's confused
And now I see
Sense in all of this
Something's got to give

You don't wanna see
You don't wanna see inside of me
You don't wanna see
You don't wanna see inside of me
You don't wanna see
You don't wanna see inside of me
You don't wanna see
You don't wanna see inside of me

In time
You'll find
In time
You'll find

You don't wanna see
You don't wanna see
You don't wanna see
You don't wanna see, you don't wanna see inside of me
