

Unkle, Panic Attack

As I juxtapose
Between lock and load
Gotta cut some slack
Between these back to back panic attacks
(Panic attack panic attack)

I love the madness
It's killing me
Our love is behind
And I'm so blind I cannot see

As I juxtapose
In between lock and load
Gotta cut some slack
Between these back to back panic attacks
(Panic attack panic attack)

I love the madness
It's killing me
Our love is behind
And I'm so blind I cannot see
I love the madness
