

Unkle, Price You Pay

No one can tell me just why it is
That it always has to come to this

Fix it up
Throw it away
I don't get it
The price you pay

Makes no sense no matter what you say
What sticks inside ain't gonna fade away

Fix it up
Throw it away
I don't care
It's the price you pay

I'm falling away
I'm falling away
I'm falling away
I'm falling away

Too high, too low

I'm falling away
I'm falling away
I'm falling away
I'm falling away
