

Unknown Girls, Don't interrupt me

dont interrupt me
I was on great scene there
among audience on arena
every beat in me sight
I made first step uncertainly
I tightened fist,
second easier he was
rivalries, I heard shout
crowd disappeared suddenly and you became
refrain
Im not easy enemy
Im able to beat strongly
right scythe - enemy your
dont jump up me boy
life can nice you be yet
dont interrupt me dont interrupt me dont interrupt me
I had biting language,
to admit Ive fact
it changed a lot of, but and so...
when it wants, opening oneself
and Ill finish burning you
I dont look for applause
So I hit if
I have on this readiness
therefore I keep form and I exercise as long as time
refrain
Im not easy enemy
Im able to beat strongly
right scythe - enemy your
dont jump up me boy
life can nice you be yet
dont interrupt me dont interrupt me dont interrupt me
(passage)
I will be how Rocky and Shwarceneger
I will hit in this what I want
when I want
and how I want
permit so many I will say that
