

# Unleashed, Breaking The Law

Originally performed by Judas Priest

The road was completely wasting  
Out of working down  
All inside it's so first rating  
As I turn in town in town  
Fill that nobody care  
Is darling watch out  
Nothing could begin  
To put action in my wife

Breaking the law

So much further don't do future  
I kept it even start  
How on break promise broken  
Aching my heart  
You don't know what is life  
You don't have a clue  
If you need you be yourself  
Do the same thing too

Breaking the law

You don't know what is the life
