

# Unleashed, Joy In The Sun

Wanna go on a date  
Gonna have some fun  
Pick you up in my new car  
Take a ride in the sun  
Driving down the boulevard  
Headin' down to the beach  
Gonna drive real slow now  
Grab a hold on me...

(...for some...)  
Formaldehyde fun  
Joy in the sun  
Formaldehyde fun  
Joy in the sun

Well then here we go  
Rock around the clock  
Playin'hide and sick now  
She sure knows how to suck  
Such a nice little mouth  
Drives a man insane  
Guess I ain't that dead yet  
Taste that smell again...

(...of some...)  
Formaldehyde fun  
Joy in the sun  
Formaldehyde fun  
Joy in the sun
