

# Unleashed, Metalheads

All right  
You metalheads  
Get on your feet  
'n dance with the dead  
Gonna raise hell  
Yeah hell's unleashed  
Don't need no mortal cure  
For our release  
Come on bang your heads  
Yeah, bang your heads  
Come on bang your heads  
True metalheads  
Hell yeah  
That's how it goes  
Rock hard and heavy  
At every show  
All true as steel  
Metal is our game  
We're goin' sick tonight  
Don't feel no shame  
Come on bang your heads  
Yeah, bang your heads  
Come on bang your heads  
True metalheads  
Come on bang your heads  
Yeah, bang your heads  
Come on bang your heads  
True metalheads  
Gonna crush the souls of those who disbelieve
