And break the spell of winter

Midvinterblot

Lets drink to Thor  
The return of the Sun  
And to our dead  
Yes raise your horns  
Hail Thor! Drink to remember our dead!  
Hail Thor! Drink to remember our dead!

Midvinterblot

Oh, come victory  
Bring prosperity in the coming year

Midvinterblot

Lets drink to Frey  
The good of our folk  
And the coming year  
Yes raise your horns  
Hail Frey! Drink to prosperity!  
Hail Frey! Drink to prosperity!

Hail Odin! Drink to victory!
