

Unleashed, Open Wide

Evil wrath
Live forever
Deep inside
Strong as ever
Growing hate
Rising higher
Open wide
Spit forth fire

...open wide

As endless force
Silent churning
No control
Of hatred burning
The beast will rise
Eyes on fire
Must unleash
Dark desires

...open wide

Arise like steam
Reaching higher
Free at last
A storm of powers

...open wide

Evil wrath
Live forever
Deep inside
Strong as ever
Growing hate
Rising higher
Open wide
Spit forth fire
