

# Unleashed, Scream Forth Aggression

Brothers we hail you all  
Welcome to this night of war  
No one can stop us now  
We shall fight 'til death us do part  
Join us now you middle man and march with us to war

Scream Forth Aggression  
The time is now to stand up straight and fight  
For what is ours  
Scream Forth Aggression  
The land we walk, the air we breathe, our pride and dignity  
Scream Forth Aggression  
Death metal - our way to be, yeah come join the fight  
Unleashed aggression  
(Join us now)

Now Scream Forth Aggression

Ride with us my warriors  
Yeah, pride with us tonight  
Scream Forth Aggression  
Honour, faith and victory,  
"The Hammer" is our sign  
Scream Forth Aggression  
Hunting down our enemies,  
The battle has just begun  
Scream Forth Aggression

Death Metal - the path we choose,  
The flames of hate still burns  
Unleashed Aggression  
(Join us now)

Now Scream Forth Aggression

Ride, ride my warriors  
Fight proud victorious  
Stand guard on every shore  
Swords drawn, we "give" no more
