Unsane, Take In The Stray

I see, save me
Got caught in
It used to be
Claims to be unlisted
It's news to me

Turn away
Back here
Can't turn grey
It's near here

I see, save me
It falls in
Like using D.
Maims with lows it sinks to
It proves to me

Turn away
Back here
Can't turn grey
It's near here

Take in the stray
You can't want to
Get in the way
Do what you've got to
