UnSuNg ZeRoS, By The End Of The Day

by the end of the day i'll turn and run again right back to the girl who's put me where i've been feeling down turned around so dizzy that when i get out i just run right back in it makes no sense i run so much right back to her and that's messed up i really want to get away she's playing games that i can't play feeling down turned around so dizzy that when i get out i just run right back in i'm scared what my life wouyld be without her there i gave up my friends back then i didn't care i should have said i want my friends instead gonna get them back right now gonna leave that bitch for dead
