Is this another love song? well it might just sound that way
About some girl who dumped me and how I found my way
Well this time it's different, because I'm not coming back
I'm not sure I wanted another freaking (?) attack

Am I older enough to have fallen so many times
Fallen for a girl like you before I let my life behind
Why can't I just find a perfect girl
The one I know who's meant for me and who I'd live with forever

It's an all or nothing game like Russian Roulette
You pull the trigger, risk your life or sit back and relax
All of my romances left with a bullet in their head
It leaves a (?) (?) (?) it leaves a dreamer dead

Am I older enough to have fallen so many times
Fallen for a girl like you before I let my life behind
Why can't I just find a perfect girl
The one I know who's meant for me and who I'd live with forever

I'm falling, I'm falling, I'm falling, I'm falling, I'M FALLING I'M FALLING

Am I older enough to have fallen so many times
Fallen for a girl like you before I let my life behind
Why can't I just find a perfect girl
The one I know who's meant for me and who I'd live with forever

Am I older enough to have fallen so many times
Fallen for a girl like you before I let my life behind
Why can't I just find a perfect girl
The one I know who's meant for me and who I'd live with forever
