

# Until Death Overtakes Me, And Death Took Her S

Shea'd smile - lovely dance.  
Shea'd cry - of sheer joy.  
But no more - death took her smile away.  
Mountains guard the core of her being,  
A soul of immense pure beauty.  
Keep me safe - far from the hurt.  
Hold me tight, keep me warm.  
Never leave me.  
Shea'd cry - of sheer joy.  
Now I cry - life ebbs away.  
Death, you took my friend away.  
Be so kind to take me, too.
