

# Until Death Overtakes Me, Careless Painless Far

Deep dark slow...stream flows  
Deep dark red...warm blood  
My blood falling...this life fading.

Deep dark blood, colder, to forest shadows flowing.

Cold dim sad...open still  
Light has left....these eyes  
They will shine no more...no more.

Burn no more, eyes, weary of life forever remain dim.

Cold...feel no more  
Dim...see no more  
Pain...feel no more  
Dark...care no more.

Care no more...care no more.  
To far away...to far.
