

# Until June, Sleepless

Oehhh-oehhhh-ooehhh

Oh, when you were young  
Did you ever love someone  
So much you couldn't bear the thought of losing them  
Well I remember the sleepless nights  
When I would lie awake  
If only I could tell you how I feel

Oehhh-oehhhh-ooehhh  
Sleepless at night  
Oehhh-oehhhh-ooehhh  
Well I remember the sleepless nights  
Oehhhh-oehhh-ooehhh  
Sleepless at night

Well I would walk around the earth  
To have another chance with you  
Spend the evening, paining thoughts of all you do  
Well I remember the sleepless nights  
When I would lie awake  
If only I could tell you how I feel

Oehhh-oehhhh-ooehhh  
Sleepless at night  
Oehhh-oehhhh-ooehhh  
Well I remember the sleepless nights  
Oehhhh-oehhh-ooehhh  
Sleepless at night

Sleepless at night  
Have you ever loved someone?  
Hard to find  
Have you ever loved someone?  
Could you ever love someone?

Oh no

Oehhh-oehhhh-ooehhh

Well I remember the sleepless nights  
When I would lie awake  
Fix me I'm on my own  
Well I remember the sleepless nights  
When I would lie awake  
Fix me I'm on my own  
Well I remember the sleepless nights  
When I would lie awake  
Fix me I'm on my own  
Well I remember the sleepless nights  
When I would lie awake  
If only I could tell you how I feel
