

Until June, Unnoticed

Raindrops falling on the rooftop,
leave me feeling lonely.
Left here sitting,
Left here on my own.
Poison ashes fill my lungs deep with the sounds of silence.
Smoking lies of where to search for love.

And the years go on and on
And the days go by
Oh, and I was unnoticed.

Now I'm older
passed this over
Watched my life grow colder
Holding tighter, never letting go.

And the years go on and on
And the days go by
Oh, and I was unnoticed.

I was unnoticed

Well I need you inside cause I feel so untied and I don't know why,
no I don't
Well I need you inside cause I feel so untired and I don't know why,
no I don't know why
I was unnoticed,
I was unnoticed
