

Unwritten Law, Before I Go

Life hurts so bad
Don't want you sad
Just look back to
Good times we had
I'd give my soul for you I know
Want to hold you before I go
Before I go
I need you to know
I'm still alive in you
It's my time to go
Don't stay up late
I'm not afraid
And I don't want your heart to break
I know I've seen what's been unseen
Live fast, die young
It's part of me
(it's my time now)
Before I go
(it's my time now)
My soul is on it's way
(it's my time now)
I need you to know
Before I go
