Cuz the machine must go!

I'm gonna gonna gonna cleanse my soul

I'm gonna gonna let the whole world know

I'm never ever gonna wait in line

waste my time

The machine must go

Fuck you!

Machine must go, machine must go [x3]

Cuz the machine must go!

I'm gonna gonna gonna cleanse my soul

I'm gonna gonna let the whole world know

I'm never ever gonna wait in line

waste my time

The machine must-

I'm gonna gonna gonna cleanse my soul

I'm gonna gonna let the whole world know

I'm never ever gonna wait in line

waste my time

The machine must...
