

# Unwritten Law, Shallow

Sometimes it seems you just don't understand  
The way I think and who I am  
When I'm told, I'm told what I'm supposed to be  
You think you know what's best for me  
I want to see you standing next to me  
Seems you got nothing much to say  
And when you're dying lying next to me  
I'll turn my head and walk away  
Sometimes it seems I might be losing touch  
Or maybe I just try too much  
Now I, now I get told I'm crazy  
Nothing you can say will phase me now  
I want to see you standing next to me  
Seems you got nothing much to say  
And when you're dying lying next to me  
I'll turn my head and walk away  
I walk alone  
My thoughts aren't always carved in stone  
My life revolves according to me,  
And what you say don't mean a fucking thing to me  
Yeah, you'll see  
I'll make it further on my own  
I want to see you standing next to me  
Seems you got nothing much to say  
And when you're dying lying next to me  
I'll turn my head and walk away  
I want to see you standing next to me  
Seems you got nothing much to say  
And when you're dying lying next to me  
I'll turn my head and walk away
