

# Urban Dub, Inside the mind of a Killer

My mind can't take it  
So what am I to do  
When you find out the alcohol can't  
Numb the pain like it used to?  
I replay the scenes of endless dreams  
That once was yours and mine  
When'd you find out  
When'd you find out  
You didn't love me anymore?  
My heart can't take it  
Cuz you keep breaking it  
I let my guard down for you  
Just give me one more try  
Give me one more try  
Give me one more chance to make things right  
How can I beg  
And convince your love to stay with me  
I'm at a loss when  
All you wanna say is goodbye  
I should've known better  
You don't have to try anymore  
I'll find better comfort in the arms of another  
My heart can't take it  
Cuz you keep on breaking  
How could you do the things you do?  
I'm so sorry for the mistakes that I've made  
I've only changed for the better  
How could you do the things you do?  
I'm so sorry that I hurt you  
Yes I've hurt you  
'You've made this heart break  
So say it if you mean it  
If you don't, don't say it  
If you don't, say nothing at all  
Made this heart break  
So say it if you mean it  
If you don't, don't say it  
I let my guards down for you
