

# Urge Overkill, Positive Bleeding

Hey! Look around today.  
Everything don't need to be the same.  
Feel. I'm feelin, lonely people.  
People just like me who go it alone.  
I guess I'm gonna go it alone.  
Now I live my life  
remote controllin' my destiny  
Yeah yeah. Yeah yeah.  
I can bleed when I want to bleed.  
So come on, come on  
you can bleed when you want to bleed.  
Want to bleed.  
Bleeding.  
Bleeding.  
Hey! Look around today.  
Everything don't need to be the same.  
Feel. Feelin' lonely people.  
People just like me who go it alone.  
Cause baby I'm a rolling stone.  
I live my life with no control in my destiny.  
Yeah yeah. Yeah yeah.  
I can bleed when I want to bleed.  
So come on. Come on.  
You can bleed when you want to bleed.  
Yeah yeah, come on  
everybody bleed when they want to bleed.  
Come on and bleed.  
Yeah yeah, yeah yeah.  
I can bleed when I want to bleed.  
Come on. Come on.  
You can bleed when you want to bleed.  
Yeah yeah come on  
everybody bleed when they want to bleed.  
Cause I can bleed when I want to bleed  
You can bleed when you want to bleed.
