## Uriah Heep, Been Hurt

At the age of eighteen I had had enough And by twenty one I decided to get tough And then I found the guard Was still too rough

And I've been hurt Ever since that day I've been hurt and I've lost my way I still think I have a chance To find your love

Well, I tried to love you One day at a time Each day waiting Hoping for the sign It was clear I needed luck

More than this time

And I've been hurt Ever since that day I've been hurt, well, I've lost my way I still think I have a chance To make you mine

My empty heart is Counting all the ways Fire and desire Sat and count days Will you, won't you When and where Do you, don't you, do I care That same eternal question Is always there It's always there
