Uriah Heep, Been Hurt (B-Side To Carry On)

At the age of eighteen I had had enough And by twenty-one I decided to get tough And then I found the door ?????? And I've been hurt Ever since that day I've been hurt And I've lost my way I still think I have a chance To find your love Well, I tried to love you One day at a time Each day waiting, hoping for the sign It was clear I needed luck More than this time And I've been hurt Ever since that day I've been hurt Well, I've lost my way I still think I have a chance To make you mine My empty heart is Counting all the ways Fire and desire Sat and count days Will you, won't you When and where Do you, don't you, do I care That same eternal question Is always there It's always there
